

# Unfinished Business: What the Dead Can Teach Us About Life

Based on over 25 years of spirit communication and thousands of professional readings, world-famous medium James Van Praagh shares the personal regrets, misgivings, remorse, and, most important, the advice of the dead who have chosen him as a medium. These spirits have a great deal to say about what they have learned and discovered on the other side and how we, the living, can benefit from their experiences. Unfinished Business is filled with shocking and emotional stories of Van Praagh's communication with loved ones who cross over the barrier between the living and the dead to send messages to those whom they have left behind. Through these profound true stories, Van Praagh guides us on an adventure into the spirit world. The lessons for the living that he has learned from these experiences range from the dangers of emotional baggage caused by guilt, fear, and regret to the importance of karma, forgiveness, and taking responsibility for our actions. Van Praagh shares with us now the wisdom that, without him, we would only gain after death.
