

Kane (Black Cougar)

With many hot, sweet and sexy scenes as well as an entertaining and gripping plot it was impossible to put down until the very end. Kane is a fast-paced, scintillating, story that had my heart racing with the turn of every page. Kane Gunn is beyond frustrated. He has a kill order to fulfill and after weeks of chasing his quarry he's boiling over with tension. Then he catches the woman who becomes his obsession and Kane becomes consumed by a desire that overwhelms everything...including his quest for justice. Lara is determined to seek revenge against the were-cougar guardians. Consequences don't matter and distraction isn't an option. Until she finds herself face to face with the pair of green eyes that have been haunting her day and night. Time is of the essence as the tables are turned and a tenuous truce is formed. In the face of passion enemies become lovers, tempting fate, testing trust, and satisfying an undeniable need. Lies and secrets. Corruption and Revenge. Choices that change lives. Don't miss the revelation...of Kane. Please note, this is book 2 in Eliza's bestselling Black Cougar shapeshifting series. Book 1 is LUCAS.
