

The Miracle of Water

Masaru Emoto has photographed thousands of water crystals throughout his years of research, yet few have been as beautiful and life affirming as those formed from the words love and gratitude. In *The Miracle of Water*, Dr. Emoto demonstrates how waters unique role in transporting the natural vibration of these words can help you welcome change and live a more positive and happy life. This thoughtful book includes new and extraordinary water-crystal photographs that provide convincing reasons for all of us to choose positive words and strive for perfect resonance for a more healthy, peaceful, and happy life.
