

The Whispers (A New BEAUTIFUL DEAD Adventure) (The Beautiful Dead Book 4)

This book can be read as a standalone. Although reading the Beautiful Dead Trilogy would enrich your experience, it is not required. Synopsis: Jennifer needs to know the truth about the Beautiful Dead. Do they really exist, or is it all a lie? She faces punishment from the university if she pursues her forbidden Undeadly studies - but she could also change the world. One reckless decision (that may or may not be totally illegal) sends Jennifer and her friends embarking on an adventure of a deathtime to find the truth at last. She did not expect, however, to discover the fate of all humanity resting in her little Living hands.
