When single mother, Annie Malone, purchases a quirky Main Street cafe on Heron Island, she thinks she's finally turned her dream of opening her own restaurant into a reality. But Navy SEAL, Will Dozier, has no intention of selling his grandparents' property to a developer. Back on Heron Island for the first time in ten years and secretly struggling with PTSD, Will decides that a fling with the new girl is the perfect way to help him get his head straight. The last thing Will expects is to fall in love...with his hometown and with Annie. But Will's life and career are in San Diego with the SEALs. Can Annie's love and the healing magic of the island be enough to convince him to stay?
