

World Superbikes: The First 20 Years

Twenty years after the World Superbike Championship was started at England's Donington Park, the series has produced some of the most thrilling racing and iconic champions in the world of motorcycle racing. The genius touch was to feature bikes that are sold in showrooms, thus attracting a passionate following among ordinary motorcyclists. The third edition of this fact-packed and gloriously illustrated book brings the story right up to date - all the riders, machines, politics and results.

world. in. nearly. every. arena. ^NO DOUBT about it. This was a great year to be an who won his first title in the class exactly 20 years after his father won his last. Meanwhile, in the World Superbike Championship, Colin Edwards topped shown (as an example, the X-Wing concept of a few years ago, which closely (N.A.S.) roadster, first shown at the World Superbike event at Laguna Seca in 2001. discussed above) set the standards for the next 20 years of motorcycles?
