

Valentine Forever (The Holiday Romances Series Book 4)

Portia Perotti invites you back to one of the most charming Cinderella stories in the Holiday Romances Series...Leigha Godwin wants two things in life: to be someone's valentine and for Grayson Hayes, her best friend since college, to be that someone. She could have it too, if she would just let go of her fear of having her heart broken by the very man she adores and let her heart choose - instead of logic. But fear is a powerful thing that often prevents even the strongest from getting what they want. Meanwhile, Grayson wants nothing more than to make Leigha his. Knowing she has long wanted to be someone's valentine, he takes a chance and asks her to be his - only to have it backfire in the worst sort of way leaving them both with battered and bruised hearts and no happy ending in sight. With only a few days left till Valentine's Day, will Leigha banish her fears and embrace what she's known all along - that love is worth risking a broken heart for. Or will this Valentine's Day end up like every other, with her alone and heartbroken with only herself to blame?
